

Cupcake Flavors

All recipes are baked from scratch without the use of stabilizers or preservatives so our cupcakes are intended to be enjoyed as soon as possible. Most of these flavor options can be made as cupcakes AND cakes but due to fillings/ingredients/decor, some CAN NOT. Due to cost and amount of ingredients, some cupcake/ cake flavors listed below may cost more than base price

Classic Flavors:

Chocolate: Moist, dark chocolate cake made with Dutch cocoa.

Vanilla: Dense, with a pound cake like texture, and flavored with all natural vanilla.

Funfetti: Vanilla cake with sprinkles mixed into the batter, topped with vanilla buttercream and sprinkles

Red Velvet: Velvet cake with a tang and just a hint of cocoa topped with cream cheese buttercream

Chocolate Peanut Butter: Dark chocolate cake topped with a smooth, creamy peanut butter buttercream and garnished with a peanut butter cup

Cookies 'n Cream: Oreo cookie pieces are baked into a chocolate cake and topped with an Oreo buttercream.

Wedding Cake: Almond cake with almond buttercream

Lemon: Tart lemon cake with a lemon buttercream.

Strawberry: Strawberry cake with fresh strawberries baked inside and topped with a strawberry buttercream.

Vanilla Raspberry Swirl: Raspberry sauce is swirled into our vanilla batter then topped with vanilla buttercream and garnished with raspberry sauce.

***Italian Cream:** Hazelnut, coconut and pecan cupcake with a cream cheese buttercream.

***German Chocolate:** German chocolate cake topped with a traditional cooked German chocolate frosting that contains coconut and pecans.

***Carrot:** Hand mixed spiced carrot cake with cream cheese icing (does NOT contain nuts or raisins)
